VOLUME 38

Edited and published by the Arrow Board

CENTRAL HIGH SCHOOL

Aberdeen, South Dakota

Foreword

Here is your 1957 Arrow – we hope you like it. We have tried to capture for you the spirit of Central High School. As you read, try to remember how you felt when school opened in the fall, and Pageant Day was just appearing on the horizon. Recall the hustle and bustle of school . . . the good-natured rivalries at pep assemblies . . . mood music by the dance band . . . study hall . . . teachers . . . and finally the glad-sadness of Commencement.

If this memo from the past in any way helps bring a little joy to you in the future, then the purpose of this 1957 Arrow will have been accomplished.

DEDICATION

Without the leadership and guidance of the great men and women of the United States, this land of ours would not be the great country it is.

There would be no freedom of religion, no freedom of speech, no freedom of assembly and no freedom of enterprise.

We would be doing what we were told, and would have no initiative to expand our knowledge and adventure into the world of learning and creation.

But we did have those great people, and we still do. They are continually giving of their lives and abilities, so we, the people of the United States may live in utmost security and happiness.

Therefore, we dedicate our '57 Arrow to the people who have dedicated their lives to fulfill our dream of progress and make it a reality. May we continue in their footsteps, ever learning and ever progressing.

Sheryl,
Well since you've

Mavis Hemmerich

Hi Sheryl,

Its a very nice girl, Sheryl I have had loads of fun with you. The only classes we have had together were Home ec. & band. And boy did we have a ball. I sure pity the poor teachers that had us. Don't you?

Remember the time you took the car to Ipswich? We were suppose to stay right behind your father, I still don't know why you kept so far away! (Ha! Ha!) But I can sure guess.

I suppose you will be on the farm all summer so I won't see much of you.

I sure wish you <u>all</u> the happiness with your boy friend (you know who). I hope we can make it a bouble wedding. Wow! wouldn't ~~the~~ we have fun. Boy, we would really live. And I mean <u>live</u>!

I want to come out this summer & ride horse's. If I still know how.

You really have been a good friend to me. I sure will miss your company during the summer.

I want to see you back in "The Gang" next year. With Shirley, Sharron, Gayle, you & I "The Big Five"

Would like to wish you all the happiness in the future. God bless you.

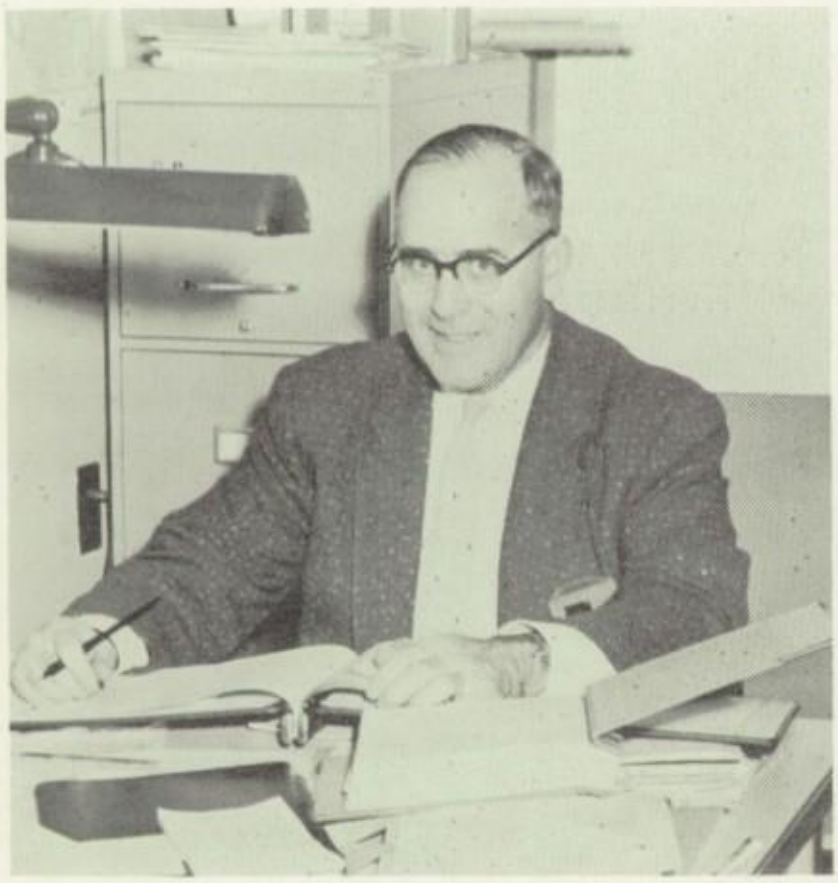
Sheryl, Learn all you can, this year. The more you learn, the better you will be prepared for your future. Good luck in School. Pat Bulmer

The student body is greatly indebted to the Board of Education, whose responsibility it is to take care of the details that make our school run smoothly. Duties of the board include budgeting the finances, undertaking improvements, and serving as a link between parents and school. Members of this board are left to right: Arthur Engel, Robert Marshall, James Deacon, Wilbur Kearns, Dr. James Berbos, Bill Edwards and "Cy" Holgate.

Policy Makers



James Deacon, in his first year as business manager of the Aberdeen public schools, should be commended for the efficient manner in which he has carried out his duties.

Superintendent Cy Holgate has become a familiar figure at Central through the past years. His friendliness and understanding has been appreciated.

Ring Masters

Willard E. Ellis
1957

Congratulations are in order for Mr. Willard E. Ellis as he completes his first year as principal at Central. With his helpful advice and guidance he has made 1956-57 an unforgettable school year. We appreciate the untiring effort he has displayed on our behalf, and we would like to take this opportunity to express appreciation for a job well done.

Miss Vera Masters, girls' counselor and junior class adivser, should be commended and welcomed to the fold. Her driving enthusiasm and sparkling friendliness has left its mark on many students. Being chaperone for band trips and to All-State has taken much of her busy time. From all those who know her, we take this opportunity to say 'thanks'.

Mr. Fred Claudon in his first year as dean of men and senior class adviser rates a big round of applause. Seniors well remember his willingness to spend extra-time administering tests and discussing their problems with them. His busy life, blended with a pleasing personality, has made him one of the best known of the school personnel. To you "Fred" – for a job well done – we say 'thanks'.

Recorders of Progress

Typing, filing, and keeping records are a few of the seemingly unimportant but necessary details these three efficient secretaries do. Joy Meseberg is Mr. Holgate's secretary, Delores Quist is Central's bookkeeper and Linda Ries is Mr. Ellis' secretary. Much of the credit for our smooth running school system is due to these girls.

Dictionaries define a custodian as one who has custody of something, a keeper, or a guardian. Behind our high school scenes are nine such men, responsible for guarding our health standards and our every convenience. Their day's work may range from operating the complicated heating and lighting mechanisms to the solution of all problems, whether pertaining to health or just plain "student comfort."

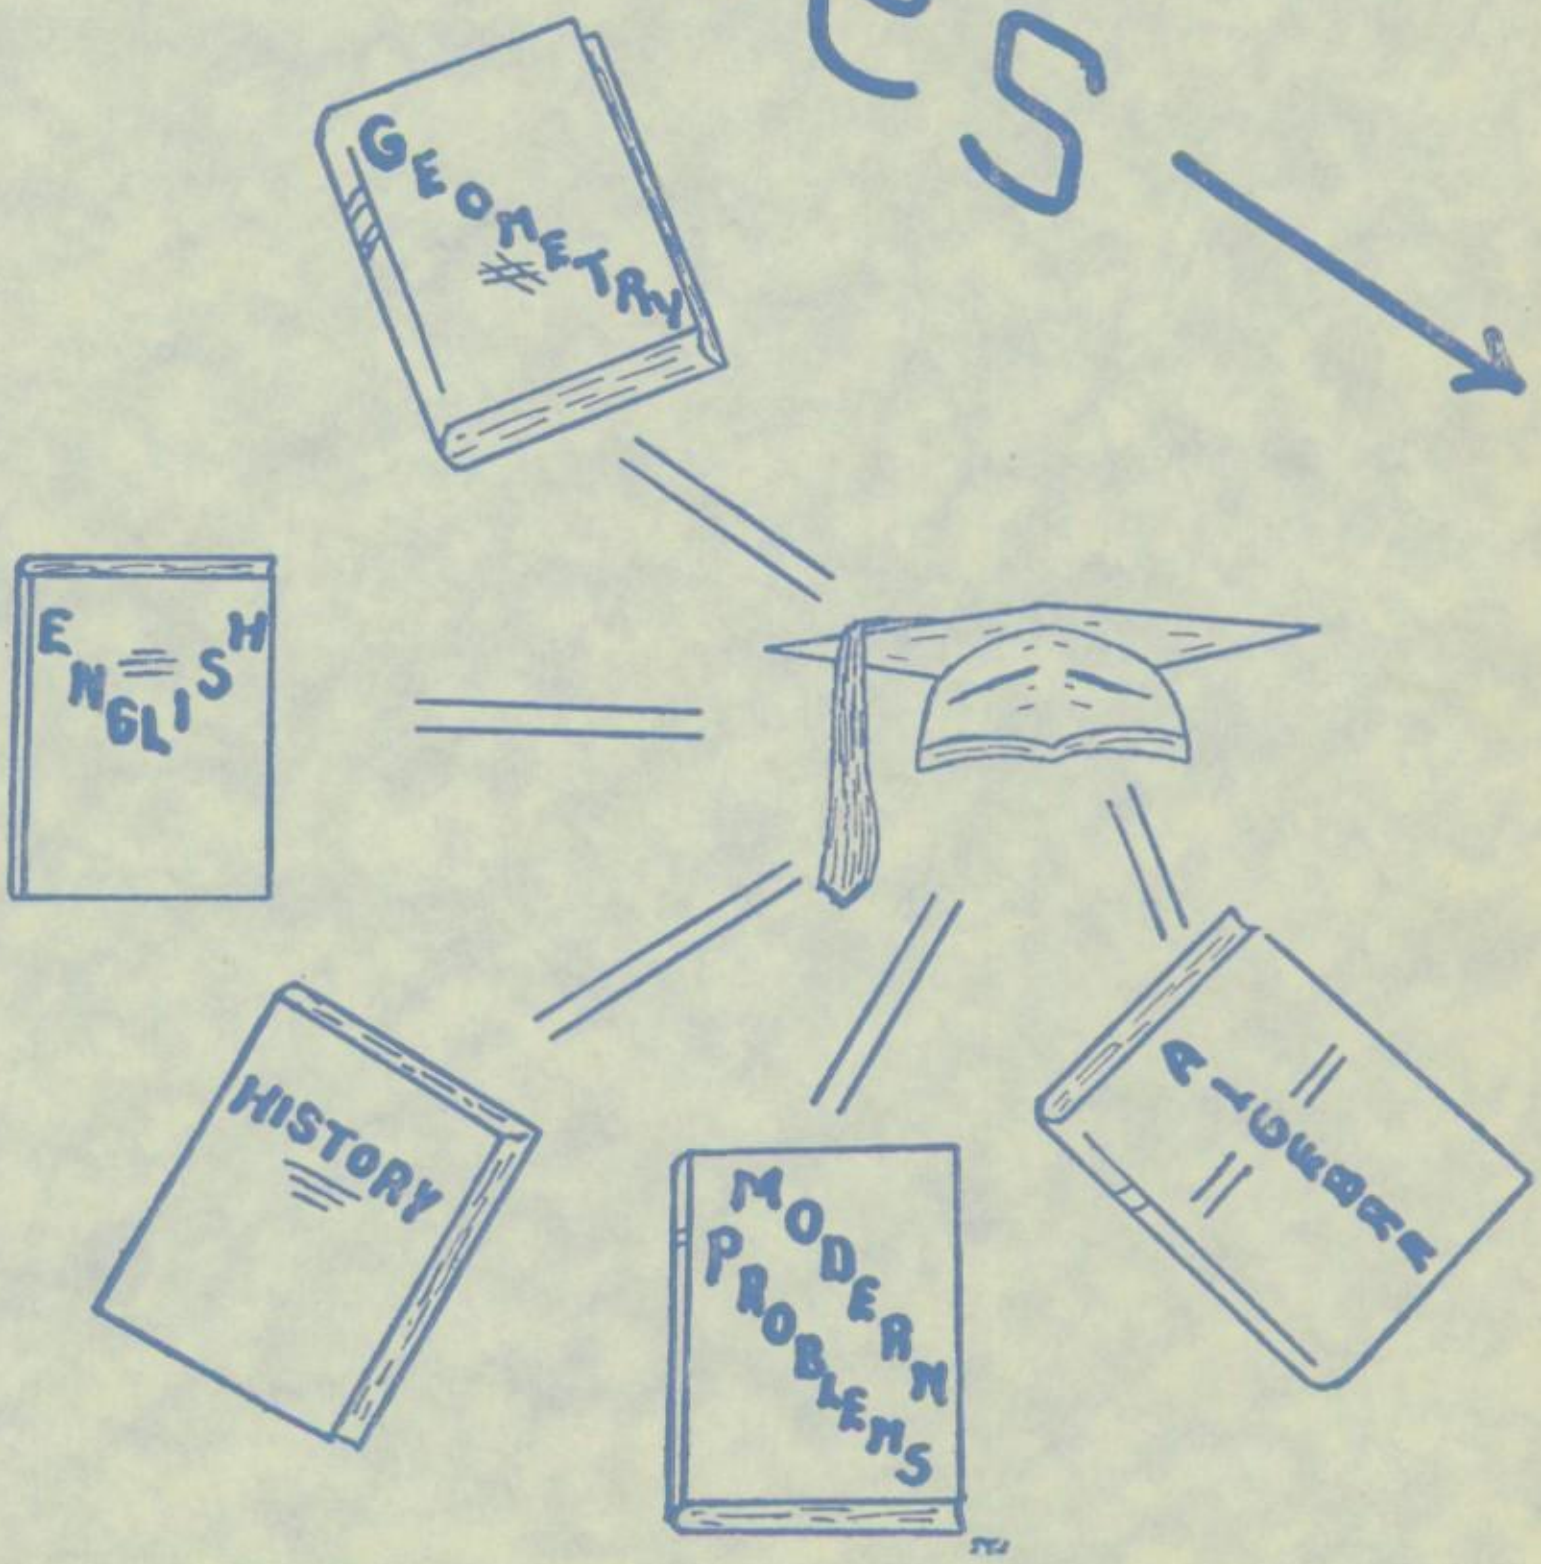
CLASSES



Dear Shug,
Well remember the few we had in Aberdeen when you were out here. Well I sure do. Boy & will never forget them. Saturday nights are still pretty good. Remember our guys that we like so well. There's nothing like Rontiacs. I pretty sure you'll agree with me there. Well I hope you have fun this summer. Boy I sure intend to, and if we are together "OK baby" watch out. you know how we get around when were together. All I've got to say is those Aberdeen guys had better watch out with us around Aberdeen. There's nothing like us to girls when we get together.

Remember our bedtime it's past midnight. Or else we never get to bed at all. Well guess I'll sign off.

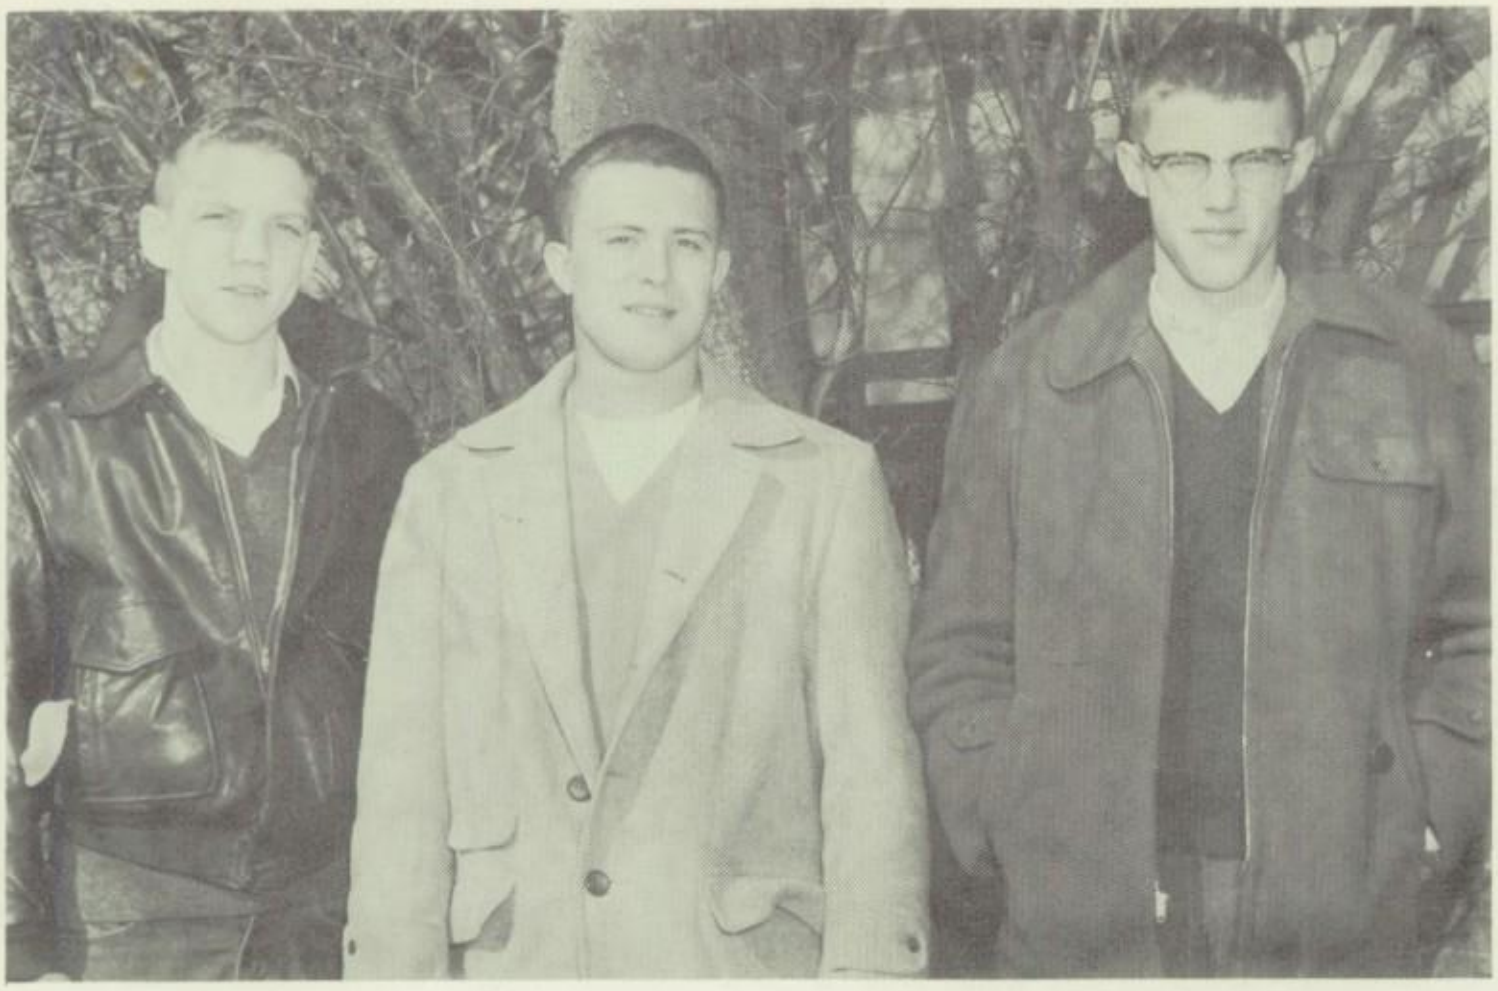
Leaders Of Today



First semester officers chosen by the senior class were: Mel Klein, president; Jim Desautels, secretary-treasurer; and Jim Lingor, vice president. These officers, along with other seniors, were responsible for selecting graduation announcements. Officers are elected each semester by a majority vote of their class at a class meeting. Nominations are taken from a homeroom slate or from the floor. To be nominated for office, candidates are required to have at least a "C" average.

And Tomorrow

Duties of the second semester class officers included presiding at class meetings, leading the Grand March at the annual Junior-Senior Prom, and being responsible for the senior class party, which climaxes graduation activities. This slate of officers proved to be a little different, in that a girl was chosen president — Karen Johanson. Serving as vice-president was Dick Cleveland; secretary. Boyd Obermeyer; and treasurer, Noni TeRito.

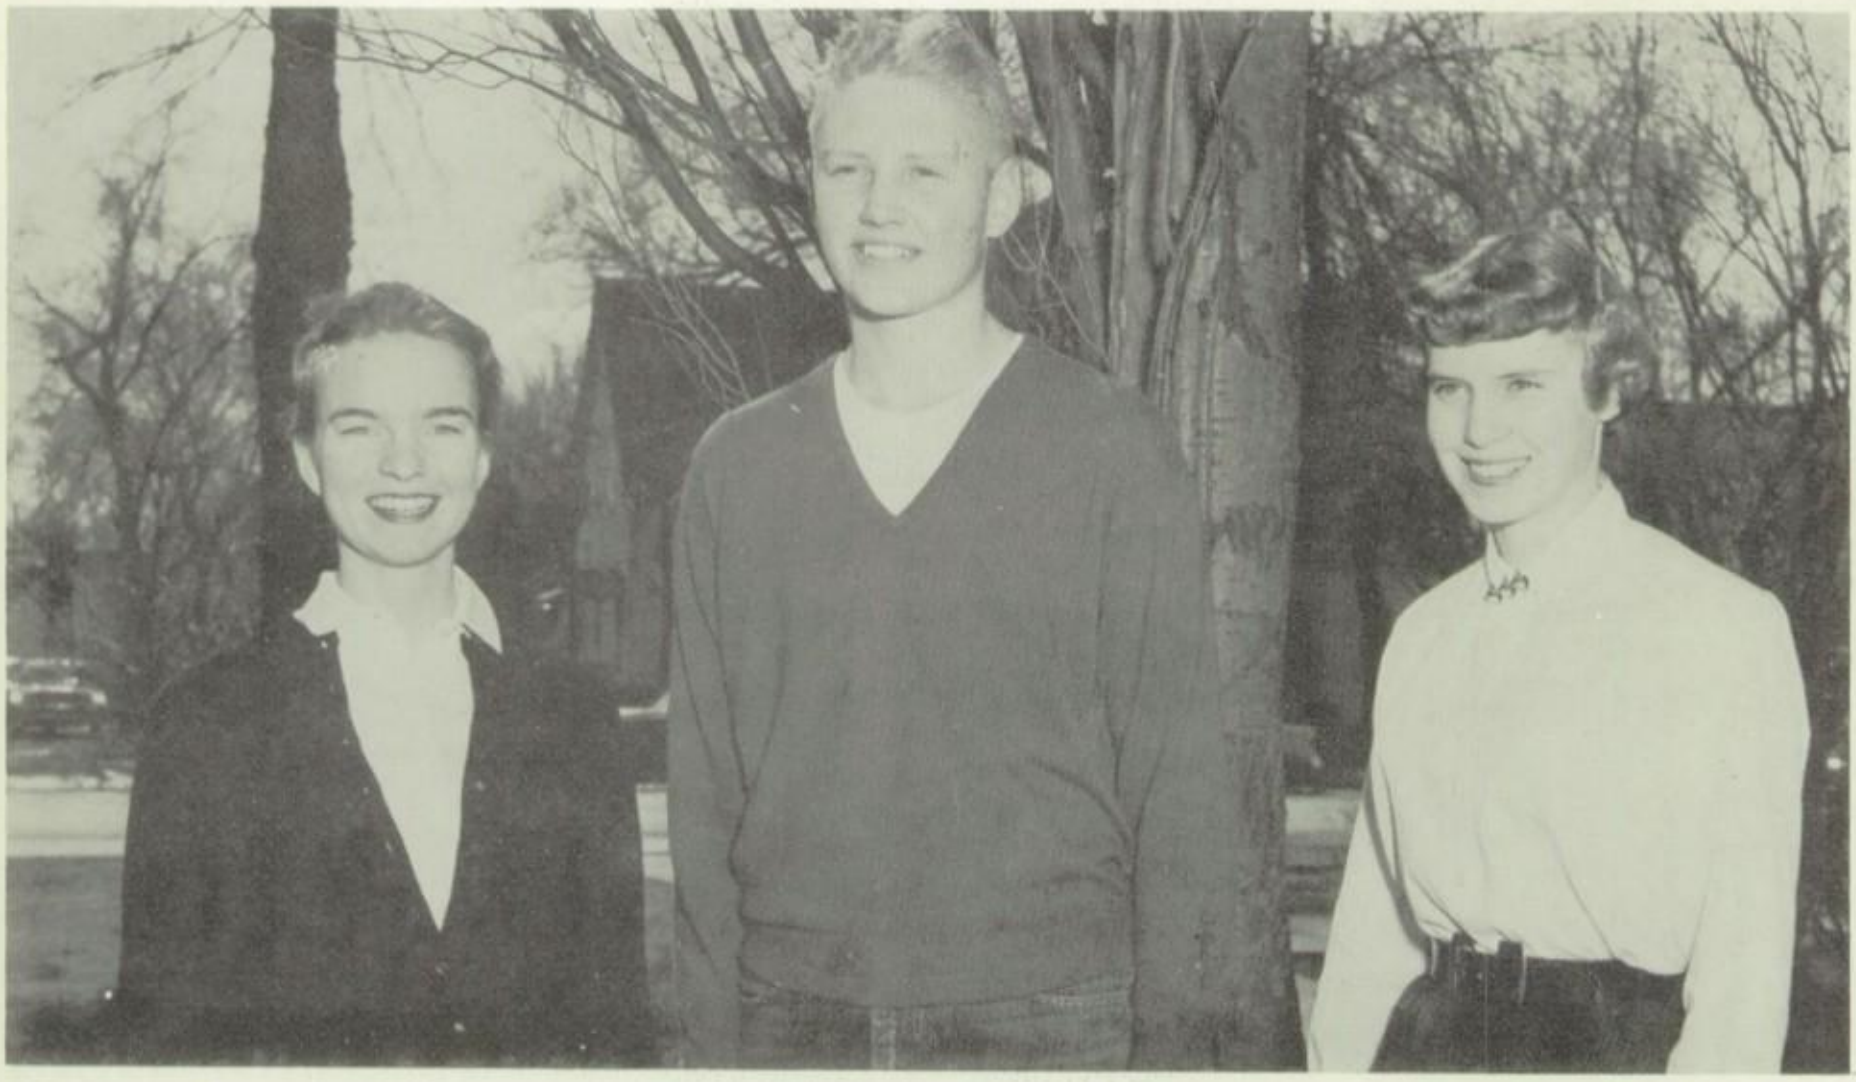
Central "Lights" of '58



The Junior Class elected Janet Hunstad as first semester president. Assisting her were Scott Cotman, vice-president; and Karen Riehl, secretary. Lanny Peterson served as class representative. The first semester officers presided at class meetings and picked a design for the 1958 class rings.

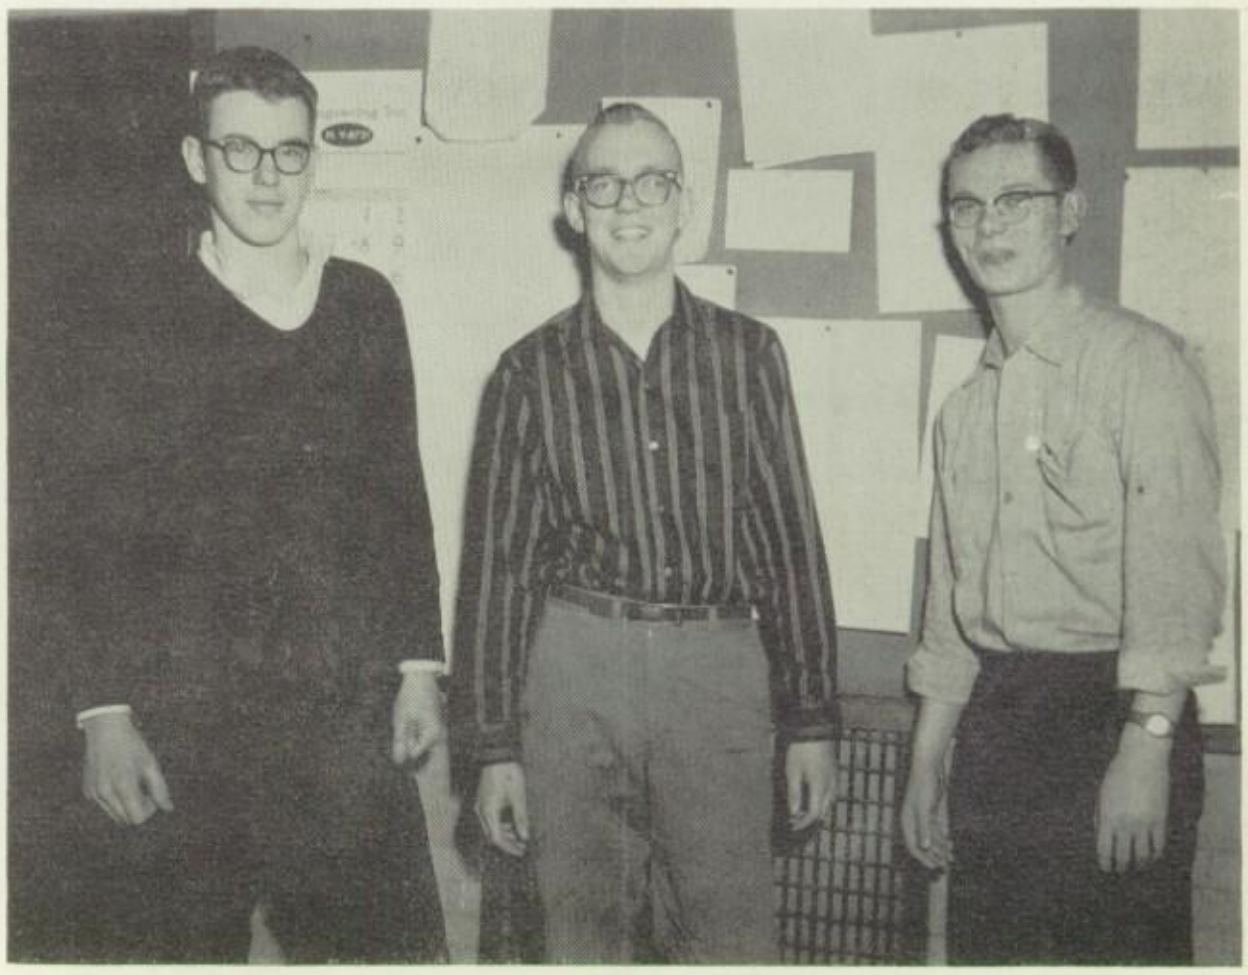
Second semester officers were Janet Deschner, president; Pudge Ellwood, vice-president; and Janice Bloomster, secretary. Being second semester class president gave Janet the honor of leading the Junior-Senior Prom. All the officers planned the prom along with the adviser, Miss .Masters.

The sophomore class exercised their voting privilege by choosing a trio of boys as their first semester officers. Jack Martyn was elected president; Jeff Ross, vice-president; and Dick Powell, secretary-treasurer.

Sophomore Solons

The task of organizing the sophomore class party was the first big job put before its officers. They named committees and did all the other preliminary planning with the help of their adviser, Miss Vera Masters. The party was held in the fall of the year to let the new "Centralites" get acquainted. Conducting their class meetings was another job for the sophomore officers.

Candidates for office were nominated at class meetings by their fellow classmates. In the nominating speeches, the nominator told of his candidates leadership, dependability, and his scholastic standing. Later a majority vote was held to select the officers. All officers did a good job in representing their class and kept the standards of their class high.



Sophomores, satisfied with the work of the first semester all boy slate, elected another trio of boys to lead the class for the second semester. Ken Kraft served as president, Jim Voas as vice-president, and Carl Kline as secretary-treasurer.

Now is the time for all young girls

to be thinking of a career.

Rulers of Miracle Land

Pageant Day activities began the night of September 20th with the weather cool, almost to the point of being cold. The traditional pep fest was held in the arena with a "dragnet" skit by the cheerleaders and initiation of four girls and two boys into Pep Club.

Spirit ran high as the snake dance, led by the band and cheerleaders, was formed and wound its way to the post office via Main Street. The cold was forgotten as students poured everything they had into cheering and singing. From the steps of the post office the cheerleaders led the procession to a huge bonfire located between the Central and Roosevelt buildings. Here students cheered until their throats were hoarse and the fire dwindled to ashes.

Tired, but not sleepy, many Centralites worked late into the night on floats which depicted the parade theme: Hit Parade.

Friday morning meant float finishing and the solemn Coronation ceremony at 10 o'clock. Many breathes were held and many hearts pounded as Dave Wolsky, 1955 Marshal, was handed the envelope containing the names of Centrals' 1956 Queen and Marshal.

Tears glistened in many eyes when Janice Leisen and Don Iten were crowned and led to the hallowed throne.

Entertainment for the new royalty included a violin solo by Mitta Johnson, a piano solo by Julie Shimmon, and a baton twirling exhibition by Marilyn Marshall. Master of Ceremonies was Dick Shurts, junior.

Solemnity was replaced by excitement as early morning clouds cleared in time for the parade which found its way to Simmons Field. Here the Aberdeen Sophomores defeated the Juniors 7-0 in the annual classic. Many hours of work were rewarded when float prizes were announced at the half.

Cold, icey-tinged air greeted spectators at the Aberdeen-Brookings football game that night.

Adults and children alike cheered when Central proudly displayed her Queen before the game. At half-time Queen Janice again appeared, this time on the arm of Marshal Don. The Royalty entered a circle formed by the band and Janice was saluted with, "Oh, You Beautiful Doll." The band finished their maneuvers with tributes to all branches of the armed forces. Most important of all, the Eagles turned in a brilliant performance, winning the game 6-0.

Dancing to the music of John Taylor's band marked the last scheduled event of a wonderful homecoming.

Twelve o'clock arrived and rang out Centrals' 38th traditional Pageant Day, leaving many happy experiences which will bring nostalgic memories for years to come.

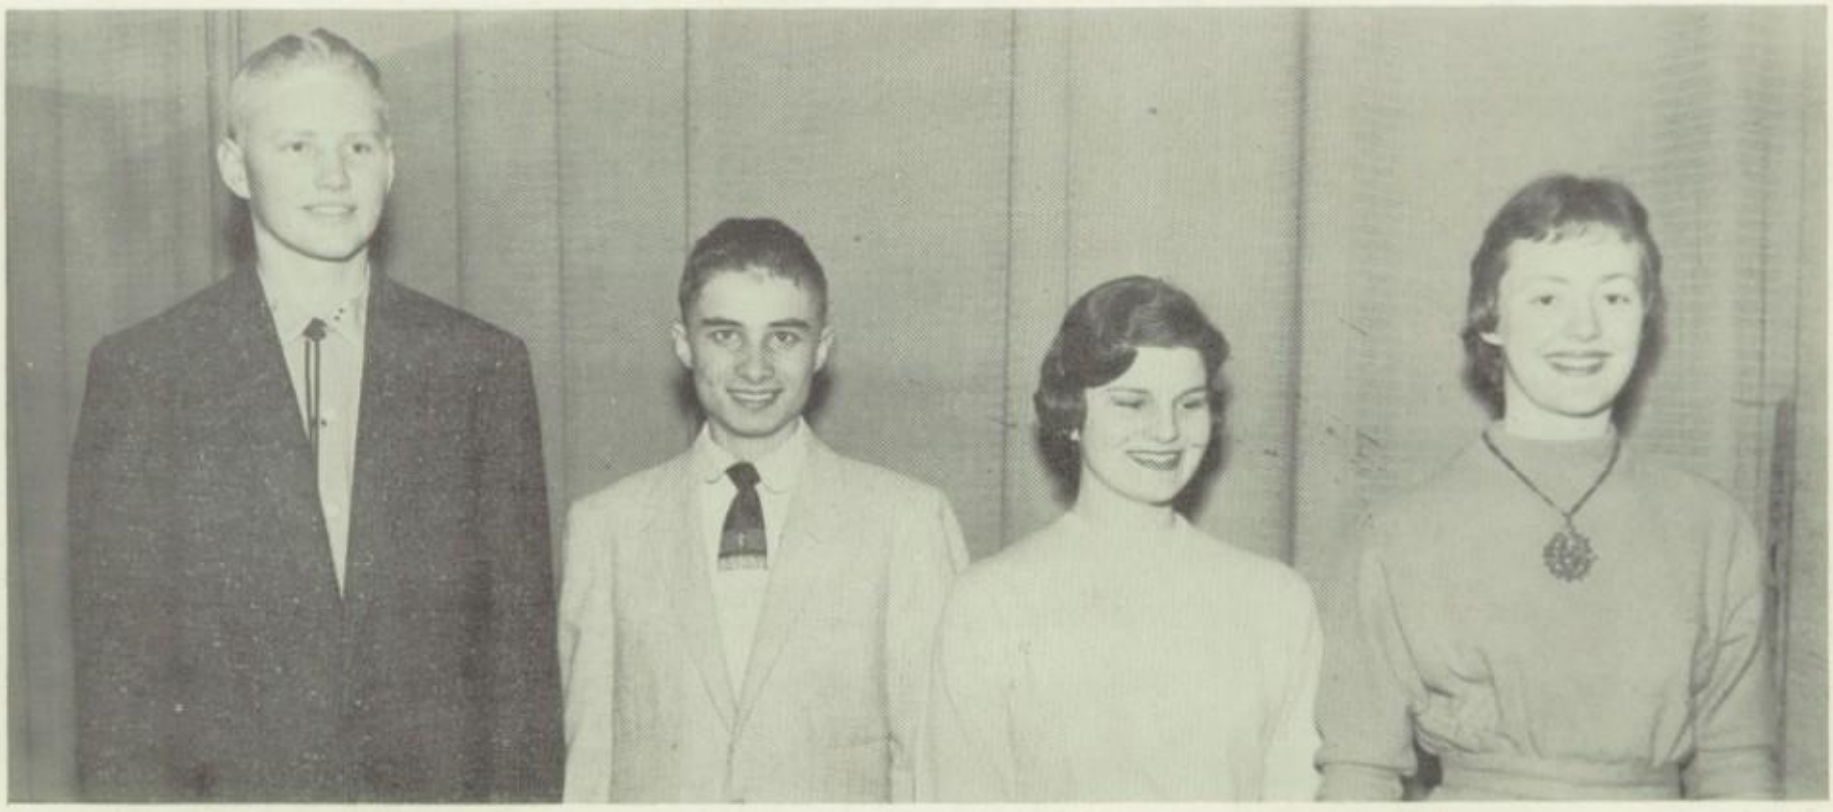
Eaglean Follies

This is the first year Central has actively participated in interscholastic debate. The squads, coached by Randy Fisher, are composed of interested students from all three classes. The "A" squad consists of Virginia Reuland, Bob Tidball, Bob Schnuerle, and Darleen Disbrow. They attended several out-of-town meets and successfully represented our school. Not pictured are Pat Donahue and Larry Ribnick.

SPEECH ACTIVITIES

Pictured here with the two speech coaches are students who excelled in the field of debate. Bob Schnuerle, whose cup Mr. Fisher holds, received the highest rating in debate meets. Pudge Ellwood won several firsts in extemporaneous speaking, and Joan Headley was the only Central representative at the state declamation contest in Pierre. She was entered in the dramatic division.

Here are the finalists, excluding the winners, in the local declamation contest. They were chosen from all those who volunteered and were coached by Mr. Fisher, Mr. Nelson, and Miss Stutenroth. Those competing in the four divisions were as follows: Carol Freitag, Bernard Lacher, Mary Kohlhaas, and Roberta Payne, dramatic; Janet Deschner, Dennis Hottmann, Gerri Meehan, and Mary Gay Tonner, humorous; Ross Chiles and John McDonald, oratory; and Dick Cleveland, Marjorie Lewis, Dottie Premack, and Jo Ann Boyle, poetry.



These are the declamation winners who represented Central at the regional fall speech contest at Mobridge. There was one chosen from the finalists in each division.

Pudge Ellwood, a junior who was a member of the National Forensic League while a student in Watertown, entered the oratory division. Dorwin Tschetter, a senior, competed in the humorous class, and another senior, Nanette Trisler, was entered in the poetry division. In the dramatic class, Joan Headley received a superior rating which entitled her to go to the state contest in Pierre. Nanette accompanied her as prompter.

Shown here are two scenes which were often duplicated by students during the radio program, "Your Schools in Review". There was a schedule set up for twenty-eight programs a year, and all preparation, such as writing the script, producing, and directing, were left to the advanced speech students. The responsibilities were divided among committees, and programs were handled alternating weeks by the two classes.

An extra-curricular requirement of all students taking advanced speech was that they take their turn at giving morning and noon announcements over the inter-com. A schedule was set up whereby each student participated, usually performing this job once each day for a week. This approach is utilized to give additional training to the speech students. What is even more important is that any student will admit it is a lot of fun.

Another extra-curricular duty of advanced speech students was to give at least one service speech during the year. This included talks during homeroom periods, announcing or describing plays and other school activities. Shown here is Mary Coyne giving such a speech to a homeroom. Such practical experience benefits not only those taking speech but the rest of the student body as well.

One of the most interesting of the speech activities is choral reading. This is a part of the year's study in advanced speech and is a direct class project. Several selections were mastered this year.

Shown in this group are Ralph Elsing, Bob Voas, Jerry Lust, Marv Klein, La June Seidel, Anita Hutchinson, Sheridan Penor, Bernadine Ochs, Ngaio TeRito, Dale Siewert, and accompanist, Jack Elsing.

Participation is compulsory, but no one seems to mind.

" The Curious Savage "

"*The Curious* Savage," Central's first all-school play of the year, was presented October 24 under the direction of Mr. Randall Fisher. The play was a light comedy, with some serious thoughts behind it.

"Drama Night"

Three one-act plays, "The Hitchhiker", "The Dancers", and "The Boor", were presented December 11 in the Civic Theater. These plays were also directed by Mr. Fisher. "The Hitchhiker" was a story of the supernatural. A background of 'weird' sound effects was created for the play. "The Dancers" was more on the serious side while "The Boor" was a non-sensible play.

Government By The Students

Boys' and Girls' Staters are elected each year by the Junior Class and the faculty. The delegates are selected on the basis of leadership, character, service, initiative and citizenship. The purpose of Boys' and Girls' State is to familiarize students with the way our government is run.

The three girls who were elected to attend Girls' State at Mitchell were Janet Deschner, Karen Riehl, and Diane Krueger. Ngaio TeRito was selected as a special member of the group.

The twelve boys who represented Central at Boys' State were: Pudge Ellwood, William McCracken, Charles Wolsky, James Chittick, Gerald MacLaren, William Grasse, Lanny Peterson, Jon Billigmeier, James Tracy, Alton DeLong, Arliss Brash, and Victor Godfrey.

Dear Sheryl,

Think I'll write some thing real long just to be different.

Remember when I + Shirley (I know it should be the other way) went to your farm. I had one dead and for dont 3 days. Did we have fun. especially in your red jeep. In + out of your know what + me sitting on all those fence posts in back.

I'll have to cut this short, (sorry) but I have to go - real important! Lot of Luck to a real nice kid.

Sharon Wilson

Dear Sheryl - Sorry I wrote about must-have but you know me I'm so all I do forgive me

We had fun in the short time you were in Aberdeen too bad you didn't move here sooner. Being you told me not to mention Anne all I'll say is good luck with him, but no more names on your wrist. Hope you wish me as much with Jerry. from the way things look and what we know about him I'll need it.

Hope you have fun this summer in anything you do. Hope you are here to fool around with me. (Jerry too.) hands off him tho. Also hope you decide to go to school here next year. If you don't it will be real lonesome around Central Without both Jerry & you both gone for me. Maybe Jerry will come out to Ipswich, Memorial Day. (That is if you aren't planning on being busy with Annie.) ha

Well I guess I'd better hang on this line. So to a really swell girl who brings fun & happiness to everyone she meets. the Best of Luck. And Happiness in what ever you do. or as Jerry said "If you do anything

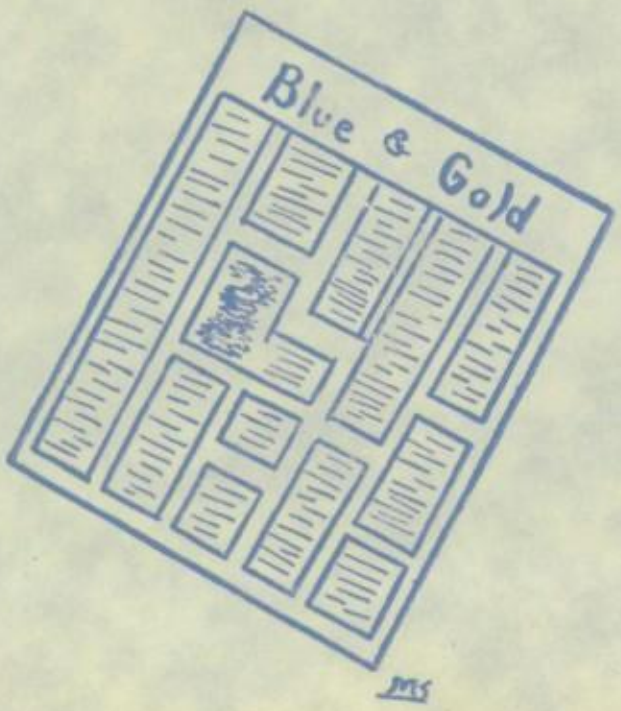
Organizations

Glad to know you
maybe I'll see you in hard
rested year. Good luck.
Don "JB" Gross



We,

The Students . . .

Student Council has been one of the most active organizations at Central this year. Under the guidance of Mr. Fred Claudon, the group planned and sponsored many events. Among the activities organized by the council were: Pageant Day, the Halloween Party, Eaglean Follies, and the Aberdeen Relays. One of the big projects undertaken by the council was a drive for funds to support George, Central's adopted Greek war orphan.

Presiding at the meetings was Otto Gerdes, president. Other officers were: Diane Krueger, vice-president; Linda Pope, secretary; and Janet Hunstad, corresponding secretary.

Central Honors Their Achievements

Keystone, Central's branch of the National Honor Society, is under the supervision of Mr. Fred Claudon. The society gives recognition to those students who have most nearly attained the desired ends. Members of Keystone must be in the upper twenty-five per cent of their class and must have strong characteristics of leadership, scholarship, character, and service.

Students initiated during their junior year included Maureen O'Connor, Karen Nordhus, Sheila Gilchrist, Bill Aldous, Jim Desautels, Karen Herseth, Dick Cleveland, Tom MacLaren, Tim Ryan, Boyd Obermeyer, Janita Strader, and Ross Chiles.

Winter initiates were: Barbara Elms, Ann Armantrout, Deanne Brekke, Sharie Burgard, Barbara Harris, Sandra Jederberg, Audrey Lofgren, Marjorie Lewis, John MacDonald, Faye Chandler, Bernard Lacher, Virginia Reuland, Roberta Payne, Sharon White, and Jeanette Walior.

Both seniors and juniors were admitted into Keystone at an initiation held this spring.

Monitor Board

This year Mr. William Ochs, faculty adviser, and Karen Herseth, monitor-in-chief, supervised a staff of 45 juniors and seniors who patrolled the halls and stairs.

Monitors are chosen by Mr. Ochs from volunteers and from recommendations by faculty members. Promptness, dependability, fairness, and the ability to get along with fellow students are the keynotes in choosing members of the board.

The Board is split into two groups, each division working a two-week's shift, and posts change every week. Teachers near the different posts report on the efficiency of the individuals, and these are given to the students assisting the chief monitor.

Band Blasts

Band officers elected for this year are Allen Nereim, president; Dick Cleveland, vice-president; Judy Wertz, secretary, and Boyd Obermeyer, treasurer. Librarians include Vivian Gerdes, Virginia Kirschenmann, Marlene Schnaidt and Sandra Sitter. Ross Chiles and Tom Nichols served as sergeants-at-arms.

Central's representatives to the seventh annual South Dakota All-State Band were Carol Freitag, bass clarinet; Ross Chiles, clarinet, and Dick Miller, baritone. Raymond Dvorak directed the one hundred-fifty piece band which gathered March 29 and 30 in Deadwood.

Band council consisted of the officers and representatives elected by the various band sections. They are responsible for planning parties and discussing any problems which may arise concerning the band.

Members of the council are Ross Chiles, Boyd Obermeyer, Allen Nereim, Dick Cleveland, Dennis Decker, Kay Mohn, Vivian Gerdes, Arvilla Voegele, Judy Wertz and Jimmie Gardner.

Orchestra Officers

The business meetings and other planning meetings of the orchestra are conducted by Karen Daly, president and Barbara Elms, vice-president. Roll is taken and dues are collected by Maureen O'Conner, secretary. Linda Hayes and Barbara Van Cleave, librarians, attend to the music used by the group.

Much of the orchestra's time is spent preparing for programs. In addition to performing in the Christmas Concert and Spring Concert, the group presents a special orchestra concert.

The string orchestra, composed of violins, violas, basses, and cellos, meets the third hour every morning. The wind section practices with the strings in the morning before school a few weeks previous to the concert. Winds include: oboes, french horns, flutes, clarinets, bass clarinets, cornets, trombones and a bassoon. The orchestra is under the direction of E. Orville Evenson.

All - State

Twenty members of the orchestra were chosen to represent the group at All-State Orchestra which was held in Mitchell. They are: Mitta Johnson, Lorna Jorgensen, Paula Aldous, Janice Morrison, Linda Hayes, Barbara Elms, Eileen Hodson, Julie Shimmon, Janita Strader, Marilyn Parrish, Sharon Schlinder, Sharon Shilman, Sheri Lynn Wudel, Kenneth Broom, Vivian Gerdes, Marlene Schnaidt, Arvilla Voegele, Kay Mohn, Sharie Burgard, and Jack Elsing.

Choir Capers

The Madrigal Singers, under the direction of Warren Schimnowski, is a small group from A Cappella Choir. This organization sang for the musical program at the Festival of Nations.

Eighteen members of the A Cappella represented Aberdeen at All-State Chorus held at Mitchell in the Corn Palace. Guest conductor for the state choir was Weston Noble, from Luther College at Decorah, Iowa. The two-day event came to a climax at the grand concert presented November 10.

First Semester officers elected by the A Cappella were: Otto Gerdes, president; Mel Klein, vice president; Maureen O'Connor, secretary-treasurer; Janice Leisen, hostess; and Tom Claflin, host.

Officers selected to serve the choir for the second semester included: Helen Marie Price, president; Jeanette Levi, vice president; Bernard Lacher, secretary-treasurer; Ann Armantrout, hostess; and Paul White, host.

Golden Blues

Playing for nearly all of the dances after athletic events and performing on the Night of Music, are the major undertaking of Central's own dance band, the Golden Blues.

The swing group, under the direction of James Miller and E. Orville Evenson, also played for the first All-Junior High School dance held in the arena.

Regular practice sessions were held during the school year on Monday and Wednesday nights.

Music Scenes

Concert band drummers have a big responsibility while performing on the marching field, and during the concert season.

Jeanette Walior accompanies the A Cappella Choir and plays for many other school functions.

Tall Talkers

Central's Speech Club has two major aims. They are to develop individual interest, initiative, and skill in all phases of speech activities; and through actual performances, to develop co-operation and co-ordination in carrying out these activities.

First semester officers were: Mary Gay Tonner, president; Jimmie Gardner, vice-president, and Donna Grimm, secretary. Second semester officers are: Gerri Meehan, president; Eva Klein, vice-president; and Janet Deschner, secretary.

Our Junior Red Cross Chapter is led by a council, and Mr. Conklin is the faculty adviser. Council members are chosen in their sophomore year and remain on for three years. Officers are Ann Armantrout, president; Tom Claflin, vice-president; Holly Fulleton, secretary. The main projects were the membership drive and the clothing collection. Later projects were especially for individuals.

Student representatives are chosen every year from their homerooms, and they work closely with the council on all projects.

Junior Red Cross

Near the end of the year the students planned for a foreign exchange of a record made by the school musical groups.

Latin

Linguists

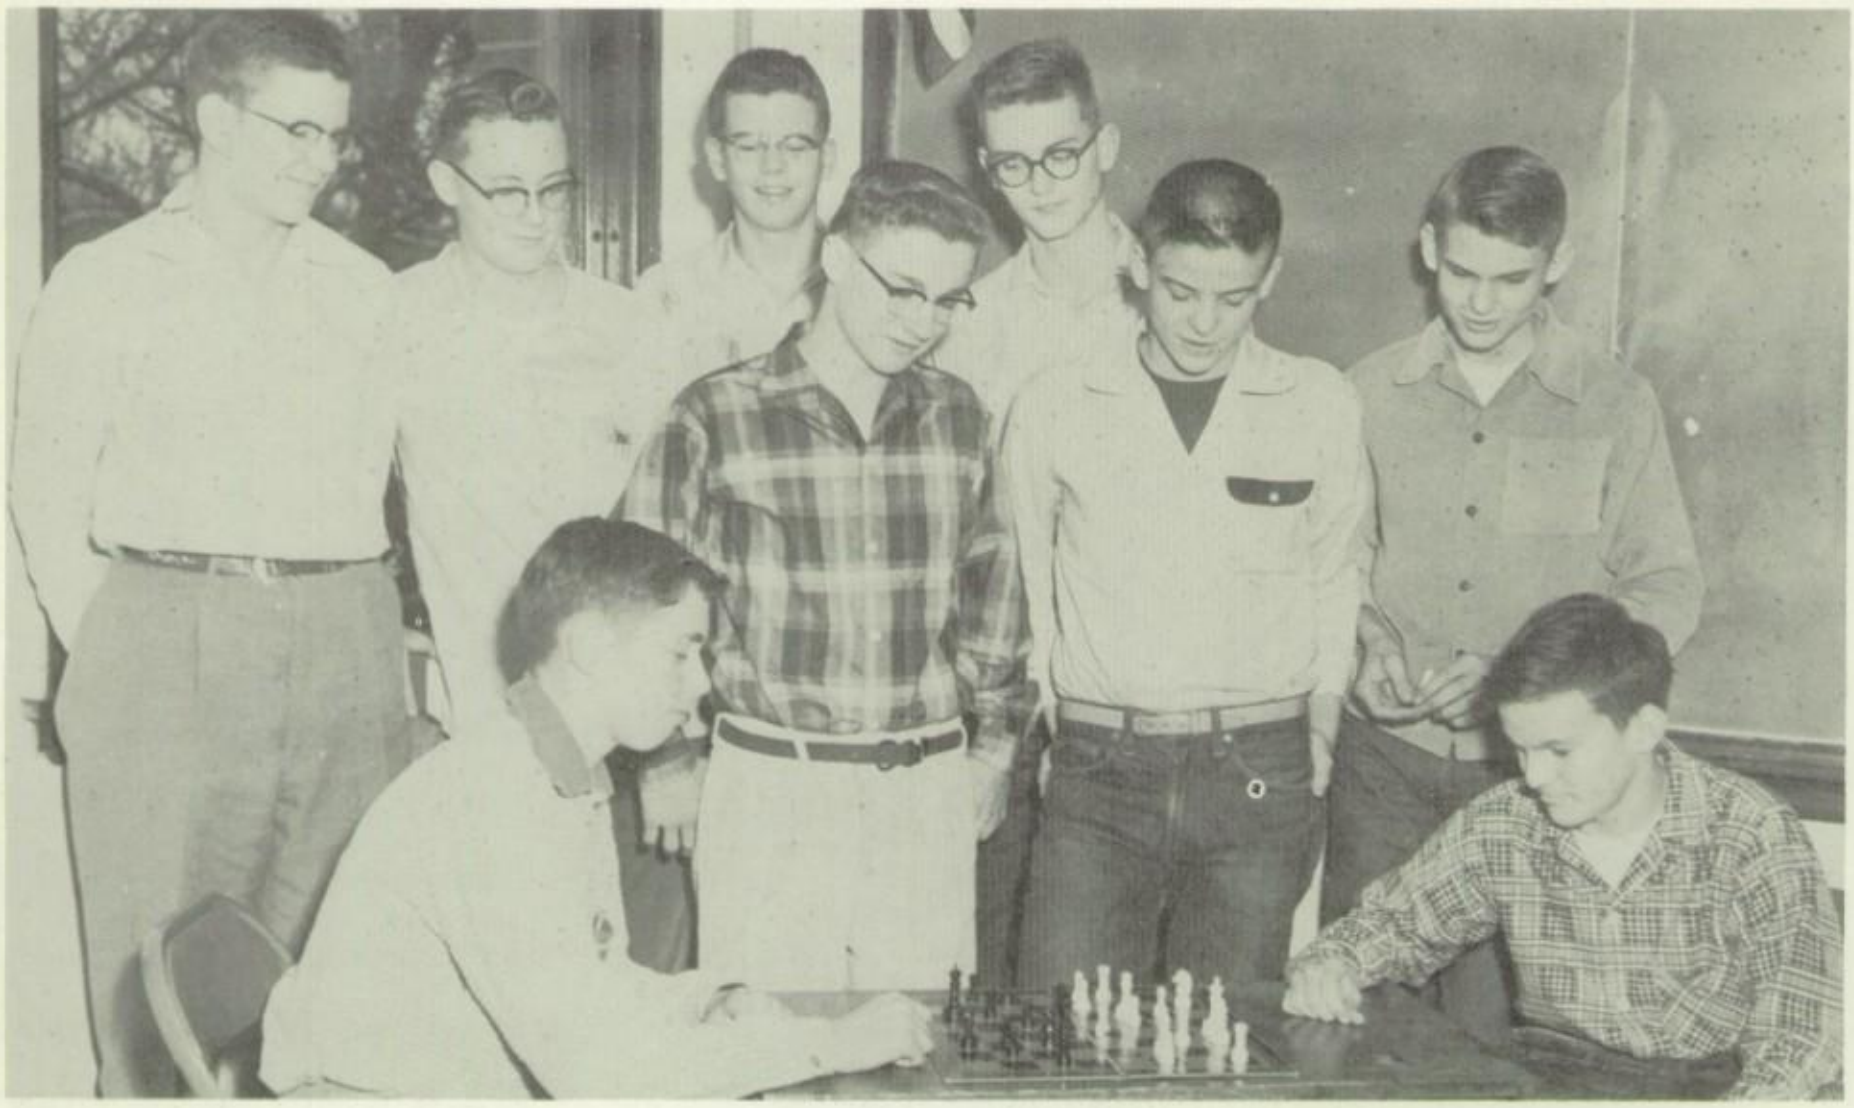
Latin Club, under the supervision of Mrs. Hendrickson, held bi-monthly meetings in which various topics were discussed, and projects were undertaken.

Members of the club made scrapbooks consisting of articles pertaining to Latin words, derivitives and customs. These articles, taken from magazines and newspapers, portrayed a few of the countless ways in which Latin is used today.

A four-course Roman banquet held in true Latin style with toga-wearing slaves, serving typical Roman food, highlighted the year's activities.

The thirty-six members of the club elected Marilyn Parrish as president for the first semester. Other officers assisting her were Mary Kohlhaas, vice-president, and Stephanie Ackley, secretary-treasurer.

Second semester officers included Janet Deschner, president; Mary Lou Wangler, vice-president; and Margie Lewis, secretary-treasurer.



Checkmate

The purpose of Chess Club is to give experienced and beginning chess players further chance to enjoy the age old game. The club participates in the all-school spring chess tournament. Harry Jones is their adviser.

Calling All Hams

To create a hobby where those who have an interest in radio may find an outlet for their talents, is the purpose of Central's Radio Club. The aims of the club are to further amateur radio, to provide wholesome entertainment for spare time and to act as the impetus to a lasting hobby.

Under the supervision of Mr. McNeary, the club meets every Wednesday evening at 7:30. The officers are Roger Lux, president; Kent Sluka, vice-president; and Glen Oveson, secretary-treasurer.

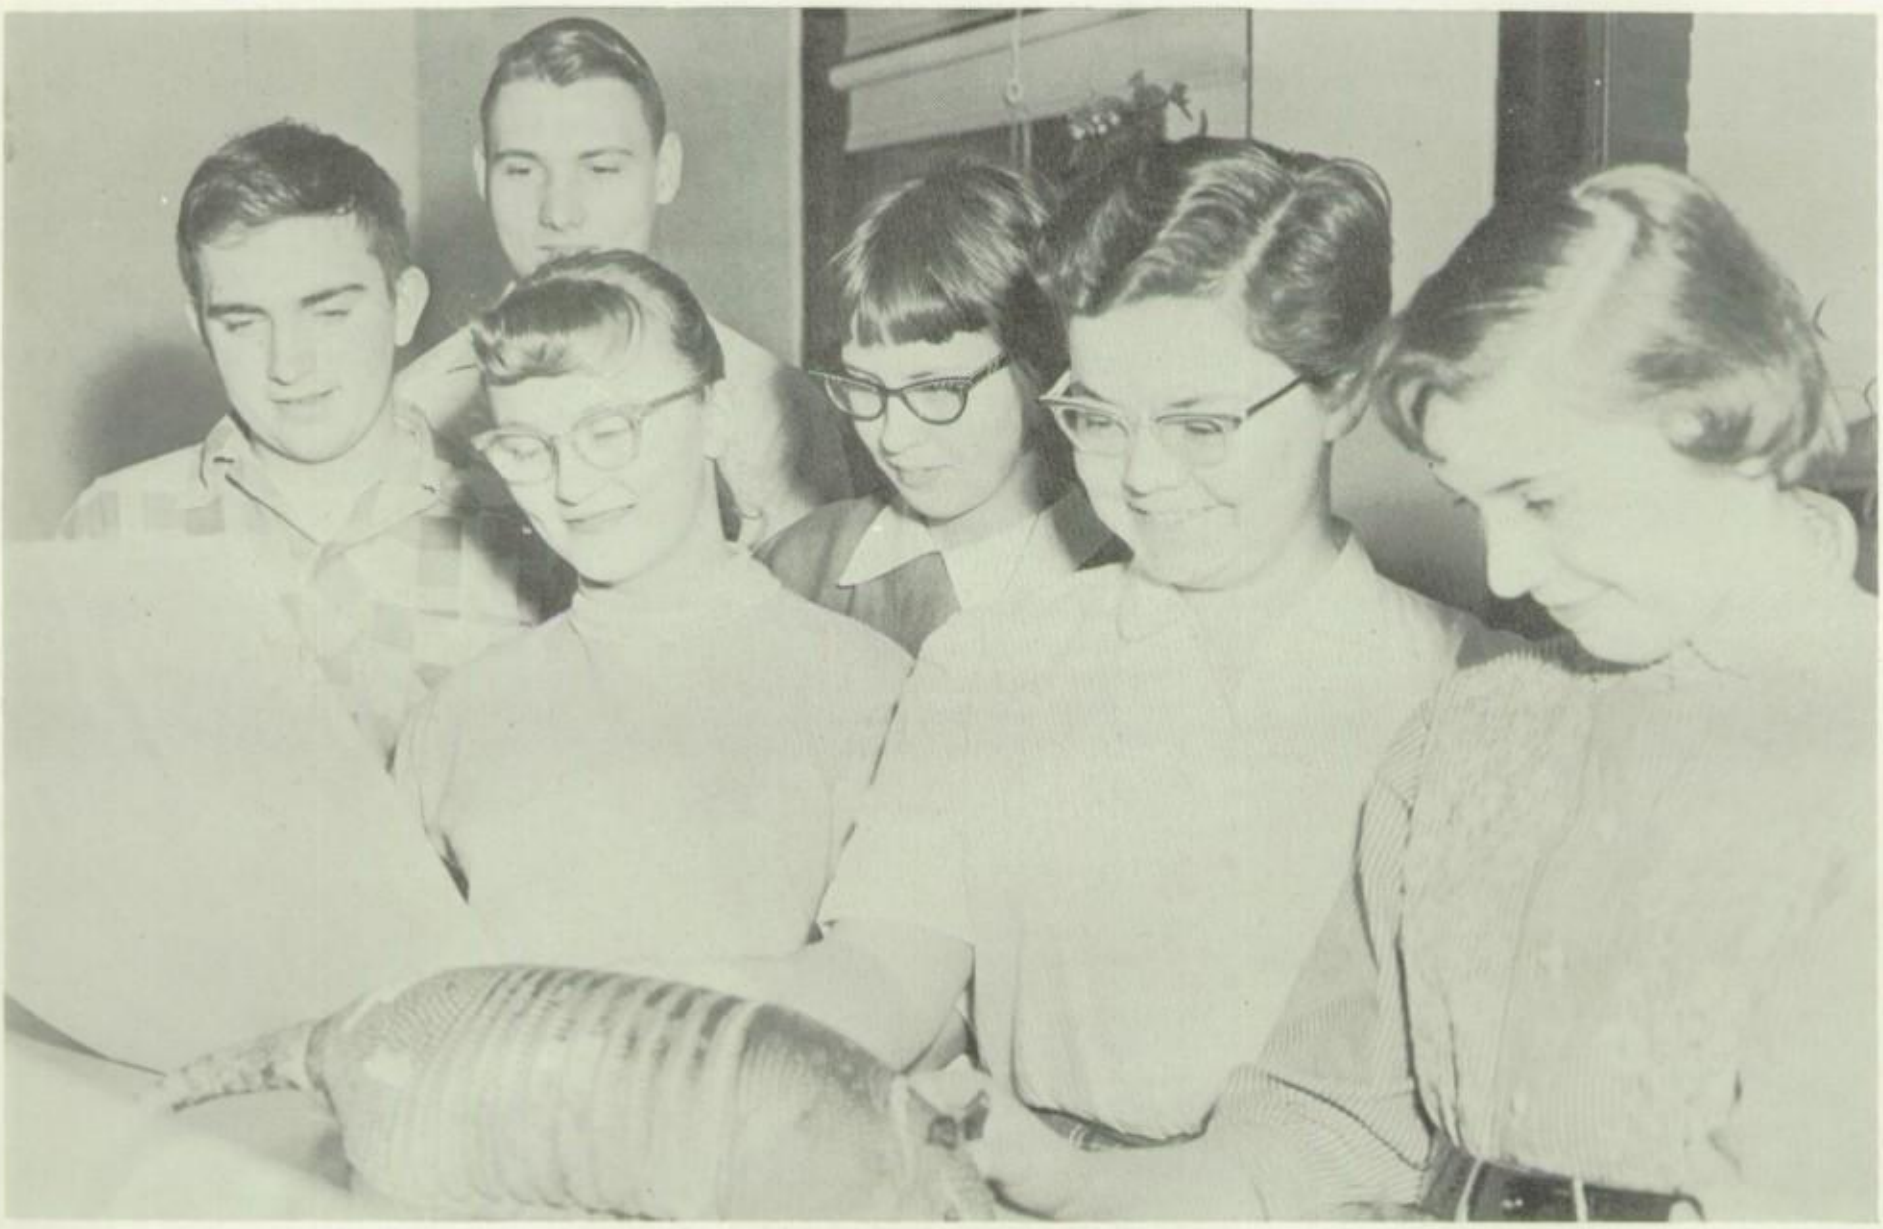
The main objective of Future Teachers of America is to create interest in the teaching profession. The club holds regular meetings and is open to members of the sophomore, junior, and senior classes. On different occasions this year, members of Future Teachers gained valuable experience by substitute teaching at the elementary schools. Meetings were held at noon or after school and often guest speakers were present. This year's officers were Sharon Irish, president; Janet Hunstad, vice president; Barbara Harris, secretary.

Future Teachers had many interesting meetings this year. At one meeting Mr. Ellis gave a talk on "What Makes a Good Teacher". Booklets containing questions on teaching were passed out to club members and reports were given from these. The highlight of the year was a party for pre-school children. Each member brought a small guest and a present to be exchanged. The small children played games, sang songs and were served refreshments. This was a very good experience, especially for students interested in primary teaching. Future Teachers also held a picnic in the spring.

Future Teachers of America

Student Scientists

The purpose of Science Club is to give interested students a chance to try experiments with school equipment outside of the classroom. One activity was the planning and completing of a chart of the elements. A study of telescopes and a trip to the college observatory completed their plans for the year. Bob Barrett, president, and Mr. Bull, adviser, were in charge of the meetings.



Beginning Biologists

Biology Club, under the supervision of Miss Hannah Buss, spent the year studying various kinds of flowers and seeds. Members of the club planted flower seeds in pots and later transplanted the seedlings out-of-doors. President Stephanie Gray was in charge of the meetings which were held twice a month.

Arts and Crafts

Photography Arts and Crafts Club meets every week under the supervision of Mr. Gene Buck. Projects for the club this year included copper enameling, leather work, and various phases of photography.

Library Science

Library Club, under the direction of Miss Thomas, is a working organization. The club consists of girls who work in the library during study-hall.

Future Nurses Of America

Future Nurses is a state-wide organization. Its purpose is to familiarize its members with the field of nursing which will help them decide if it is to be their chosen field.

Under the supervision of Miss Gullickson, the school nurse, the club meets every first and third Monday of the month. The officers are Diane Ochs, president; Gerri Meehan, vice-president; and Joyce Strome, secretary.

Nurses and doctors were guest speakers during the year. Highlighting the years activities were overnight stays at the hospital where the members, wearing nurses uniforms, acquired first-hand observations of nursing duties.

Karen Nordhus was this year's editor-in-chief. Assisting her in her duties were Holly Fulleton, junior editor, and Ross Chiles, business manager.

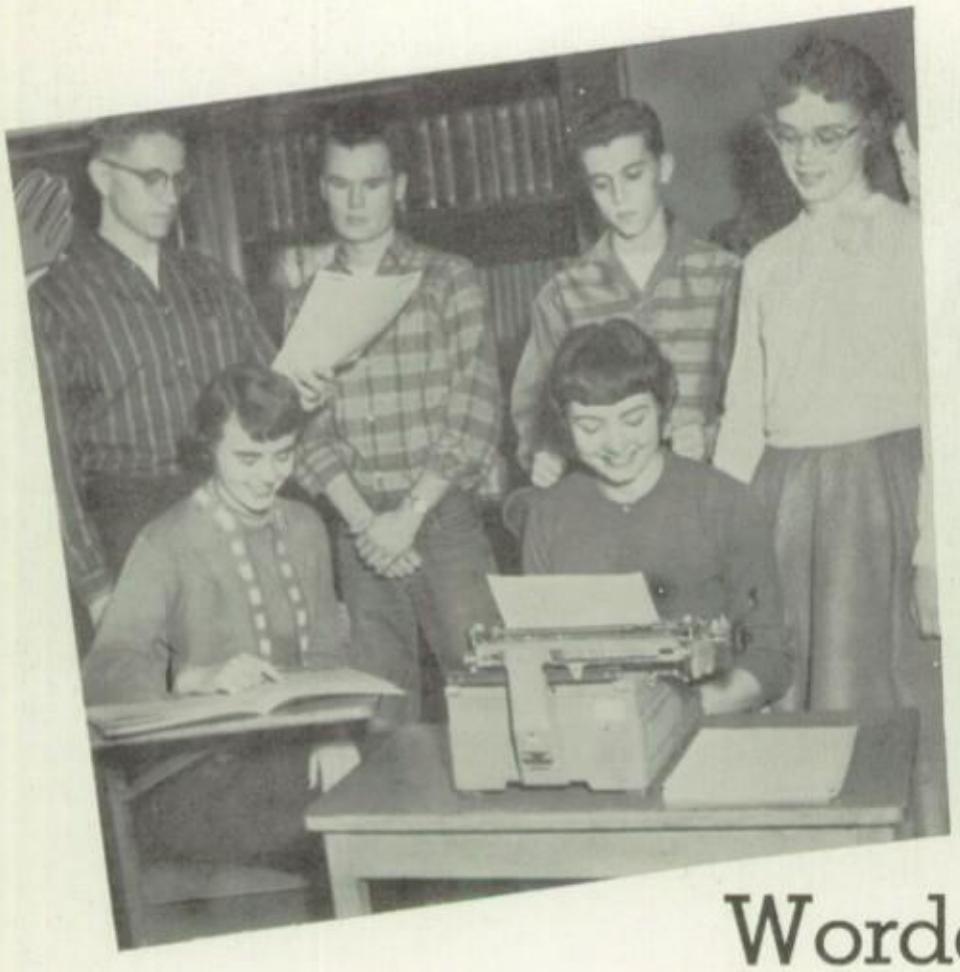
Five seniors and three juniors worked with the activities editor, Sheila Gilchrist, to plan the main portion of the Arrow. This all girl group planned page make up and wrote copy for activities throughout the year.

Arrow Board

Four boys made up the sports staff. Jim Desautels, sports editor, arranged the sports section, with the help of these boys.

Pictured above are two members of the activities staff and the two senior editors, Audrey Lofgren and Roberta Payne.

Arrow meetings were held every Tuesday evening in order to complete the yearbook.



Wordcraft

Four juniors and eight seniors meet sixth hour every day to perform the tasks involved in the publication of Wordcraft. The finished product is a literary booklet containing original stories, essays, and poems contributed by Central students. It is the job of the Wordcraft staff, under the direction of Miss Grace Baker, to choose, correct, and type all selections; measure illustrations and compositions and place them on the page; and to contribute to the material that is published.

Wordcraft is presently in its twenty-first year of publication. The first issue, published in 1936, was advised by Miss Beryl DeHaven. Seven issues were published under Miss DeHaven's direction. In 1944 Miss Baker became the head of the department.

Co-editors for the Wordcraft this year are Ann Armantrout and Ross Chiles. Dick Shurts and Ross Chiles assumed the responsibilities of the business managers. Bill McCracken is the art editor; poetry editors are Sandra Jederberg and Bill Grasse; and Marlene Hansen is the typist. Other members of the regular staff include; Angie DiRe, Bernard Lacher, Marion Deuel, Tom Claflin, and Mary Coyne.

Those members who, because of conflicts in their schedules, cannot meet sixth hour, constitute the "fringe". The "fringe" meets with Miss Baker every Monday after school. At these weekly meetings members read manuscripts and offer constructive criticism on contributions that are being considered for publication.

Gerri Meehan, Tom MacLaren, Carol Dohn, Mercia Kline, Kathy Kunz and Helen Henry are pictured at one of their weekly "fringe" meetings.

Blue and Gold

Members of the staff, under the adviserships of Mr. Noecker, published a bi-weekly edition of the Blue and Gold. They were taught the principles of page make-up, headline writing, news and feature writing, copy and proof reading and many other tasks involved in publishing a paper. Editors for the 1956-57 school year were: Audrey Lofgren, editor-in-chief; Sandra Jederberg, feature editor; Roberta Payne, news editor; and Dorwin Tschetter, sports editor.

Quill and Scroll

Quill and Scroll is an international honor society which gives recognition to those students who have done outstanding work in the field of journalism. Present members are Ann Armantrout, Tom Claflin, Bill Grasse, Sandra Jederberg, Audrey Lofgren, Tom MacLaren, Karen Nordhus, and Roberta Payne. Roberta Payne was elected president and Miss Grace Baker is the adviser.

Modern Language Club

Modern Language Club is devoted to the study of the German, Spanish, and French languages and their respective countries. One of the projects this year was establishing pen-pals in the countries they studied. Officers were Virginia Reuland, president; Donna Grimm, secretary; Linda Newnam, program chairman.

The 1956 Golden Eagles, under the coaching of Mylo Jackson and Emmett Lenihan, came back after a shaky start to share top honors in the E.S.D. Conference with Watertown and Yankton. Yankton gave the Eagles their only conference setback early in the season. The Eagles came back to knock off Watertown, and the Arrows ended the season with a 20-0 victory over the Bucks. All three teams wound up with identical 5-1 conference records.

Led by Co-captains Jerry Gauer and John O'Keefe, the Eagles compiled a five win and three loss season record. The Eagles lost three out of the first four games before they hit their stride to win the last four. The final game of the season with Rapid City was cancelled because of cold weather.

EAGLES TROUNCED IN OPENER

Sioux City Central proved a little too far along as they spoiled the Eagles home opener, 31-7. Jerry Lust was the only Eagle to find the goal line, when he scored on an off-tackle play in the third quarter. Roger Hackett booted the extra point. An encouraging factor was that the Eagles edged the little Maroons in first downs, 11-10.

EAGLES WIN PAGEANT DAY TILT OVER BOBCATS

The Golden Eagles won their first ESD Conference game over Brookings 6-0 before a large homecoming crowd. The only score came before the game was three minutes old on a quarterback sneak by Roger Hackett. The Eagles missed another chance to score early in the second quarter, when they drove the ball to the Brookings one yard line and lost it on downs.

BUCKS HAND EAGLES ONLY CONFERENCE LOSS

Yankton gave Aberdeen its only ESD loss of the season by virtue of a 27-6 victory over the Eagles. Aberdeen lacked offensive punch and was unable to score until late in the game on a 44 yard pass play from Larry Tripp to Butch Weiszhaar.

ABERDEEN BOWS TO SIOUX FALLS

Aberdeen's attempt to spoil the Warrior's homecoming failed, as they bowed to the Washington High powerhouse, 39-19. The Eagles recovered a fumble on the opening kickoff and scored five plays later on a plunge by Larry Tripp. Aberdeen's other TD's came in the last quarter, one by John O'Keefe and the other on a 21 yard pass from Roger Hackett to Bob Hatzenbeller. Jim Bunker booted the extra point.

RAPIDLY IMPROVING EAGLES STOP KERNELS

The Golden Eagles got back in the win column with a 12-6 win over Mitchell. Touchdowns by Jim Desautels and John O'Keefe—both in the first half—accounted for the Eagle scoring. The Kernels found the Aberdeen defense hard to penetrate as they failed to enter Eagle territory in the second half.

EAGLES UPSET WATERTOWN

Jerry Gauer picked up a blocked punt and raced 15 yards to paydirt to help Aberdeen to a 7-0 upset over the Arrows. It was a great defensive battle with both teams unable to get their offense rolling. This was the only TD scored against Watertown by a South Dakota team all season.

EAGLES ROLL OVER MADISON

Led by John O'Keefe's three touchdowns, the Eagles rolled over the Madison Bulldogs, 32-7. Tackle Arlin Wilson pounced on a blocked punt in the end zone and Tom Teigen took a pitch-out from Butch Weiszhaar to account for the final scoring.

EAGLES TAKE HURON TO CLINCH TIE FOR TITLE

The Golden Eagles fought rain, mud and the Huron Tigers to take a 20-0 victory and also a share in the Championship of the ESD. John O'Keefe plunged three yards for the opening tally and scored again in the second quarter on a three yard pass from Roger Hackett to give the Eagles a 14-0 halftime lead. Dick Powell scored the other touchdown during a terrific downpour in the final quarter. Aberdeen had two other touchdowns nullified on penalties.

The Aberdeen Golden Eagles finished sixth in the E.S.D. with a 5-9 record. Three of the defeats were by a margin of two points and these losses were to the three top teams in the conference. The Eagles ended their campaign by copping consolation honors in the State "A". The improvement displayed by the squad is indicated by their record. The Eagles only won one of their first seven games, but finished fast, winning eight of their last 11. Sioux Falls won the E.S.D. crown and finished second to the Belle Fourche "Broncs" in the State "A" finals.

Roger Hackett led the Eagles in scoring with 215 points followed by Gerald Sayler with 208 points. Wendy Heintzman was another Eagle scoring threat. Two juniors, Chuck Wolsky and Al DeLong, rounded out the starting five. Both earned their positions after the season was underway. Sayler, and Hackett were elected co-captains by their teammates. Sayler, Hackett and Wolsky received honorable mention on the All-Tournament team.

EAGLES CLOBBERED IN OPENER BY HURON

Huron's strong Tigers gave the Aberdeen Eagles a little more than they bargained for, when they were dumped by the Tigers 60-38. The game was close for the first quarter with the Tigers on top 10-8, but the Eagles couldn't find the basket and Huron went on to win handily. Roger Hackett led the Eagles with 13 points. Huron was led by Swett with 15 points.

KERNELS ARE FIRST EAGLE VICTIM

Aberdeen won its first game of the season by defeating the Mitchell Kernels 57-37. The Eagles trailed by as much as 11 points in the second quarter, but Sayler sparked a Eagle comeback with four field goals in the second quarter, to bring the Eagles within four points 26-22 at the half. After the half, the Eagles quickly gained the lead and went on to win easily. Sayler and Hackett led the Eagle scoring with 18 and 17 points respectively. Lingor followed with 11 points, 10 of them in the Eagles' surge in the third quarter.

EAGLES BID FOR UPSET FAILS

The Golden Eagles managed to stay with the Watertown Arrows for the first half in a bid for an upset before they cooled off in the second half to fall before the Arrows 53-42. The Eagles never did lead, but they trailed by only two points, 29-27 at halftime. Aberdeen could score only six points in the third stanza to fall behind 41-33. Aberdeen managed to stay with the Arrows in the last stanza, but could not make up the deficit. Heintzman led the Eagles with 10 points. Burks of Watertown was high for the game with 18 counters.

EAGLES LOSE FIFTH GAME

Aberdeen's first meeting with the Yankton Bucks turned out to be a cold night for both teams, but Yankton was a little warmer and won the low scoring contest 44-28. The Eagles could not muster a field goal until 13 minutes were gone of the contest. The Bucks led at halftime 24-14. The second half turned out to be as low scoring as the first half. Sayler led the Eagles in scoring with 10 points.

TWO FREE THROWS SPELL DIFFERENCE IN UPSET BID

Central's Golden Eagles made a valiant effort to upset the Huron Tigers, but Huron's star, Rex Swett, sank a pair of free throws just as the game ended to give Huron the edge 37-35. The Tigers took a 12-9 first period lead, but the Eagles came back to lead 25-21 at halftime. Aberdeen increased its lead by eight points, but they hit a cold spell and Huron took a 31-29 lead at the end of three quarters. The Eagles then came back to tie the game at 35 all. Swett was fouled just as the horn sounded. Sayler led the Eagles with 13 points. Swett ended up with 24 counters.

EAGLES BREAK SIX GAME LOSING STREAK

The improving Eagles got back in the win column with a 60-50 win over the Mitchell Kernels. Aberdeen trailed 11-8 at the end of the first quarter, but managed to hold the Kernels to 25-22 at the half. The third quarter ended with the Eagles in the lead 42-38. Heintzman led the Eagles scoring with 15 points. Hackett and DeLong had 14 and 13 points, respectively.

EAGLES WIN IN LOW SCORING CONTEST

An earlier defeat by the Madison Buldogs was avenged when the Aberdeen Eagles downed the Bulldogs 38-29. The Eagles jumped off to a 13-2 lead in the first six minutes. Madison cut the deficit to four points on four occasions. Aberdeen played a defensive game and worked for their shots, taking only 30 the entire game and hitting on 45 per cent of them. Hackett led the Eagles with 10 points.

SIOUX FALLS' BARELY ESCAPES UPSET

The Sioux Falls' Warriors, champions of the ESD conference, barely escaped an upset when they nosed out the Eagles on two clutch free throws. The Eagles and the Warriors were knotted up at 10 points each at the end of the first quarter with the Warriors having a 26-24 lead at halftime. Midway in the fourth period trailing 50-44 the Eagles put on a rally to tie it up at 50-50; Fred Hecker was then fouled. Led by the fine play of DeLong and Sayler the Eagles put on a great team effort.

ABERDEEN DUMPS BOBCATS

Aberdeen popped back from their narrow defeat at the hands of Sioux Falls and turned back the Brookings Bobcats 57-37. The Eagles took command in the opening minutes of the game and were never threatened. The last five points of the game were scored by Aberdeen to make their final margin of 20 points the largest of the game. Hackett and Heintzman led the Eagles in scoring with 16 and 12 points respectively.

WATERTOWN ARROW UPSETS BY EAGLES

Watertown's earlier defeat of the Eagles was avenged by the Eagles, when they took the Arrows with a last quarter spurt 53-45. For awhile it looked like the Arrows were going to run away with the game after they had built up a 18-8 lead, but by the end of the quarter the Eagles had come back to trail by 20-15. The end of the half saw the Eagles leading 28-27. Hackett and DeLong led the Eagles with 20 and 14 points respectively.

YANKTON DEFEATS ABERDEEN IN OVERTIME

The Yankton Bucks ended the Golden Eagles regular season schedule on a sour note, when they defeated the Eagles in a 45-43 overtime. The Eagles were leading 43-41 when Belfany of Yankton scored on a jump shot to send the game into overtime. In the overtime the Eagles missed on three chances at the free throw line. Soulek of Yankton put in the winning bucket in the last seconds of the overtime.

EAGLES TURN BACK TIGERS IN SECTION OPENER

Mobridge's determined Tigers kept at the Eagles' heels for three periods before the Eagles opened up in the fourth quarter to win 58-50. The score was tied at 15 all at the end of the first quarter, the Eagles led at the half 33-28, and after three quarters it was still the Eagles by 3 points, 44-41. Three Eagles were in double figures, Sayler had 18, Wolsky 16, and Hackett scored 10 points.

ABERDEEN CLINCHES BERTH IN STATE "A" TOURNEY

Aberdeen successfully defended its Section three crown by downing a spirited Lemmon crew 52-44 to earn a berth in the State Tournament. The Eagles led at all the quarters 12-10, 26-21, and 40-33. Lemmon led throughout most of the second quarter and threatened again in the fourth period when they twice pulled to within three points. DeLong was high for the Eagles with 16 points followed by Sayler and Heintzman with 14 and 12 points.

DEFENDING CHAMPS RACK EAGLES

In the opening round of the State "A" tourney, Sioux Falls' defending champs took the Eagles apart to the tune of 81-47. Sioux Falls, playing some of its best ball of the year, shot 59 per cent from the field and cashed 37 of 46 free throws. The Warriors led 18-9 at the first quarter, 40-24 at the half and 62-33 after three quarters.

EAGLES BOUNCE BACK TO TAKE RAPID CITY

In consolation play, the Eagles bounced back to take a thriller from the Rapid City Cobblers 51-48. Rapid started strong and built up a 23-13 lead at the end of the first quarter. Wolsky and Sayler sparked a comeback that gave the Eagles a 29-28 lead at halftime. The Cobblers led for the last time 32-31 early in the third period. DeLong sank two free throws with two seconds left to clinch the victory. Wolsky played some of his best ball as he counted 18 points followed by Sayler with 12.

GOLDEN EAGLES COP CONSOLATION TROPHY

Aberdeen finished its season by taking the consolation trophy with a 66-58 triumph over the Watertown Arrows. The Eagles played some of their best ball of the year, winning their eighth game in their last 11 starts. Watertown led 32-27 at the half, but the Eagles came back to lead 47-44 after three quarters. All five starters were in double figures, Sayler and Hackett were high with 16 points each.

Girls' Bowling

One girls' bowling league, meeting on Tuesday nights, was formed this year. The teams and their captains were Chicks, Mary Ellen Obermeyer; Myers, Karen Vikander; Bang Bangs, Nancy Dahl; Alley Cats, Arlene Keubler; Strikers, Virginia Fischer; Smittys, Rosalie Weber; Fawns, Helen Steenson; and Scotts, Pat Blando.

League officers included Helen Steenson, president; and Pat Blando, secretary. Mrs. Kohlhaas was league advisor.

Champion bowler in the annual tournament, held February 19, was Bonnie Ackerman, who scored 360 pins in two games. Bernadine Ochs was runner-up with 341 pins. Third place went to Donna Hultman who had 323 pins and Roberta Haskell came in fourth with 321 pins. All of the girls received trophies.

High yearly averages included Mary Sahli, 123; Helen Steenson, 112; Eleanor Bussian 110; Sandy Feather, 103; and Pat Blando, 103.

Highest scores in individual games were made by Sandy Feather with 180, Mary Sahli with 162, and Pat Blando with 148.

This year's GAA officers are Janice Oxenrider, president; Mony Erickson, vice-president; and Paula Aldous, secretary-treasurer. It is the job of these girls to organize the annual picnic held at Melgaard Park. Food consists of pop and ice cream bought with 25 cent donations and sandwiches brought by the girls. The picnic ends with a softball game.

Girls' Athletic Association

The Girls' Athletic Association, comprised of sophomore, junior and senior girls, meets every Wednesday at 4:00 to develop sportsmanship through active participation in volleyball and basketball.

Teams are organized by the girls themselves and consist of eight to ten members. This year's teams and captains include: Ubangies, Audrey Lofgren; Sinister Spinsters, Camille Van Riper; Eaglets, Joyce Coester; Red Hots, Mildred Hottmann; Blue Birds, Linda Hubbard; Golden Fliers, Marcella Diegel; Bobby Soxers, Connie Marquis; Newnam's New Names, Linda Newnam. Mary Amacher, girls' physical education instructor, is group advisor.

The season begins in the fall with volleyball games and ends in May with a Round Robin Basketball Tournament. Games are occasionally refereed by physical education majors from NSTC. Otherwise, when their teams aren't scheduled to play, various GAA members serve as referees, scorers, and timers. Each team plays about once every three weeks.

After three years of membership, senior girls are awarded medals similar to those given in track.
